10		

We guarantee that the product(s) above meet the following criteria:

1. Absence of demonstrable ethyl alcohol (**ethanol**), Genetically Modified Organisms (**GMOs**) and porcine ingredients.
2. If animal-derived ingredients are used in the production of the products the slaughter method must be halal and the animal from a poultry, bovine, ovine source or fish sources.
3. If animal by-products specifically milk, milk-derivatives, dairy and eggs are used in the products they must be from poultry, ovine, bovine or fish sources (**except honey which is considered halal**).

Furthermore we confirm the following cleaning process is implemented:

- a) Before the products listed above are manufactured all traces of previously manufactured products are removed by a thorough cleaning of production equipment and surfaces using suitable cleaning chemicals or water-based cleaning systems.
- b) After the use of cleaning chemicals on the production line, the cleaning chemicals used are removed using an appropriate process such as rinsing with clean, potable water or high pressure steam to ensure no trace of cleaning products remains.

By the completion of this Free from Guarantee Declaration it is accepted that:

- By completing this form we will not promote or classify the product(s) listed above as halal until we gain halal approval through the issuance of a halal certificate.
- If there are any changes to the listed products above that may impact their halal status we will inform our customer and The Halal Trust as soon as possible.
- Our company will keep confidential all information in this form and will not disseminate to other parties unless written permission has been obtained from The Halal Trust.
