Declaration:

We guarantee that the ingredients listed in this document meet the following criteria:

1. Absence of demonstrable ethyl alcohol (**ethanol**) & Genetically Modified Organisms (**GMOs**).
2. Complete absence of porcine-derived material.
3. If animal-derived ingredients are used in the manufacture of the listed ingredients, the slaughter method must be halal and the animal from a poultry, goat, bovine, ovine or fish sources.
4. If animal by-products specifically milk, milk-derivatives, dairy and eggs are used in the manufacture of the listed ingredients they must be from poultry, ovine, bovine or fish sources (**except honey which is considered halal**).

Furthermore, we confirm the following cleaning process is implemented:

- a) Before the listed ingredients are manufactured, all traces of previously manufactured ingredients are removed by a thorough cleaning of production equipment and surfaces, using cleaning chemicals or water-based cleaning systems.
- b) After the use of cleaning chemicals on the production line, the cleaning chemicals used are removed using an appropriate process such as rinsing with clean, potable water or high pressure steam to ensure no trace of cleaning products remains.

By the completion of this Free from Guarantee Declaration it is accepted that:

- By completing this form, we will not promote or classify the ingredients listed above as halal until we gain halal approval through the issuance of a halal certificate from The Halal Trust.
- If there are any changes to the criteria listed above that may impact the halal status of any of the listed ingredients, we will inform The Halal Trust as soon as possible.
- Our company will keep confidential all information in this form and will not disseminate to other parties unless written permission has been obtained from The Halal Trust.
- This FFGD is **valid for 1 year** from the date of signature and unless a halal certificate is obtained within that time, the FFGD must be renewed to remain valid.
